We are proud to announce the return of our Power of the Pumpkin Community Assistance Fund. This year, we endeavor to sow our seeds of support to 5 organizations who serve populations in the greatest jeopardy of losing basic, critical services due to loss of federal funding. Please be generous and help us reach our goal of \$70,000 which will be distributed to the following non-profits:

**The Maya Gold
Foundation**

Teen Mental Health First Aid

**Family of
New Paltz**

Essential Needs Flex Fund

RUPCO

**Health / Wellness for Seniors
Homeowner Emergency Repairs**

**YMCA of
Kingston**

**Before / After School Programs
Summer Camp Programs**

**People's
Place**

Community Cafe Flex Fund

BOARD MEMBERS:

**MARIANNE MURRAY, CATHY SIFRE, LAUREN MCPADDEN,

Please come out strong and show your support for the Power of the Pumpkin Community Assistance Fund. We thank you for allowing us to "Celebrate the Harvest and Share the Bounty."
